The CMO  
Mokokchung, Nagaland

Sir,

There have been complaints regarding deduction of employee salaries under your department for the Naga political Groups. Therefore, you are requested to stop the said deduction since its illegal under the relevant provisions of the law. Also, such practice is encouraging more factionalism in the movement when the cry of the Naga people at this juncture is unity.

A copy of the ACAUT Nagaland resolution forwarded to all the HODs is also attached.

Thanking you,
