Sub; FIR Against GHSS Zunheboto For Deducting Teachers and Employees Salaries.

Sir,

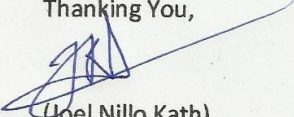

May we bring to your kind notice that the Government Higher Secondary School, Zunheboto, deducted 14% of the salaries of its teachers and employees for the year 2014 in the month of November for payment to the Naga Political Groups (NPGs) which is downright illegal. This issue has also been amply highlighted in the media (Nagaland Post 20<sup>th</sup> Dec 2014) as per the write up of Shri. Kughalu Yeputhomi, Assistant Teacher, GHSS Zunheboto.

Therefore, you are requested to treat this complaint against GHSS, ZBTO, most seriously since no Government servants can deduct the salaries of their own subordinates/ employees for any purpose, much less for the NPGs. This is a black and white case of illegality undermining even the state government. **The ACAUT Nagaland is filing the FIR against GHSS, Zunheboto, for which you are requested to promptly register it keeping the following of our demands in mind:**

1. The person who AUTHORIZED the deduction of teachers and employee salaries of GHSS, Zunheboto should be arrested.
2. The person who carried out the order and actually DEDUCTED the amount should be arrested.
3. The person who HANDED OVER the amount to the NPG/s should be arrested.

The ACAUT Nagaland is positive that your kind authority will carry out the necessary as per the law. We are also hopeful that unnecessary pressures of any kinds or even threats from the NPGs will not deter you from carrying out what should be a sincere, bold and honest rendering of your duty as per the law of the land.

Thanking You,
