Sir,

It has come to the notice of the ACAUT Nagaland that the salaries of government employees under your establishment have been deducted as payment to Naga Political Groups. You're all too aware that such an action is not only against the spirit of One Government One Tax but a violation of all legal norms.

You're requested not to make any payments as such and the deducted amount should be returned to the rightful employees without fail.

Thanking you,

(Joel Nillo Kath)
Co-Chairperson
ACAUT Nagaland

(Solomon L. Awomi)
Secretary
